- 7.02. Action by Architectural Committee. Items presented to the Architectural Committee shall be decided by a majority vote of the Voting Members.
- 7.03. <u>Advisory Members</u>. The Voting Members may from time to time designate Advisory Members.
- 7.04. <u>Term.</u> Each Voting Member of the Architectural Committee shall hold office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. In the event of death or resignation of any Voting Member, the remaining Voting Member or Voting Members shall have full authority to act until a replacement Voting Member or Voting Members have been designated.
- 7.05. Appointment. Declarant, its successors or assigns, shall have the right to appoint and remove all Voting Members of the Architectural Committee so long as there is a Class B Membership. Thereafter, the Board shall have the right to appoint and remove all Voting Members of the Architectural Committee.
- 7.06. Adoption of Rules. The Architectural Committee may adopt such procedural and substantive rules, not in conflict with this Declaration, as it may deem necessary or proper for the performance of its duties, including but not limited to, a building code, a fire code, a housing code, and other similar codes as it may deem necessary and desirable.
- Review of Proposed Construction. Whenever in this Declaration the approval of the Architectural Committee is required, it shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts which, in its sole discretion, are relevant. Except as otherwise specifically provided herein, prior to the commencement of any construction of any Improvement on the Property or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Committee, and construction thereof may not commence unless and until the Architectural Committee has approved such Plans and Specifications in writing. The Architectural Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform such other duties assigned to it by this Declaration or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Architectural Committee. The Architectural Committee may review Plans and Specifications submitted for its review and such other information as it deems proper. Until receipt by the Architectural Committee of any information or documents deemed necessary by the Architectural Committee, it may postpone review of any Plans and Specifications submitted for approval. No Improvement shall be allowed upon any Lot which would unreasonably obstruct the view from any other portion of the Property, and no improvement shall be allowed on any Lot which is of such size or architectural design or involves the use of such landscaping, color schemes, exterior finishes, and materials and similar features as to be incompatible with development within the Property and the surrounding area. The Architectural Committee shall have the authority to disapprove any proposed improvement based upon the restrictions set forth in the preceding sentence and the decision of the Architectural Committee shall be final and binding so long as it is made in good faith. The Architectural Committee shall not be responsible for reviewing any proposed Improvement, nor shall its approval of any Plans or Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes.
- 7.08. Variance. The Architectural Committee may grant variances from compliance with any of the provisions of this Declaration, when, in the opinion of the Architectural Committee, in its sole and absolute discretion, such variance will not impair or detract from the high quality development of the Property and such variance is justified due to unusual or aesthetic considerations or unusual circumstances. Anything herein to the contrary notwithstanding, the Architectural Committee is hereby authorized, at its sole discretion, to waive any requirements relating to garages (including size), carports, dwelling size, masonry requirements, fences and setbacks and such decision shall be binding on all Owners of Property encumbered by this Declaration. All variances must be evidenced by written instrument in recordable form, and must be signed by at least two (2) of the Voting Members of the Architectural Committee. The granting of such variance shall not operate to waive or amend any of the terms or provisions of the covenants and restrictions applicable to the Lots for any purpose except as to the particular property and the particular instance covered by the variance, and such variance shall not

be considered to establish a precedent or future waiver, modification or amendment of the terms and provisions hereof.

- 7.09. Actions of the Architectural Committee. In the absence of such designation, the vote of the majority of all of the members of the Architectural Committee taken without a meeting shall constitute an act of the Architectural Committee. Notwithstanding anything to the contrary, in the event the Architectural Committee fails to respond to a request for approval of Plans and Specifications within thirty (30) days of receipt of all required information, the Architectural Committee shall be deemed to have approved such Plans and Specifications.
- 7.10. No Waiver of Future Approvals. The approval or consent of the Architectural Committee to any Plans or Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Architectural Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatever, subsequently or additionally submitted for approval or consent by the same or a different person.
- 7.11. Work in Progress. The Architectural Committee, at its option, may inspect all work in progress to insure compliance with approved Plans and Specifications.

ARTICLE VIII

FUNDS AND ASSESSMENTS

8.01. Assessments.

- (A) The Association may from time to time levy Assessments against each improved Lot. The level of Assessments shall be equal and uniform between all improved Lots. For purposes of this section, a lot shall not be considered to be "improved" until a house has been constructed thereon. No Assessments hereunder shall be levied against any unimproved Lots.
- (B) Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose in proportion to the amount of the Assessment year or other period remaining after said date.
- (C) Each unpaid Assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Lot against which the Assessment fell due, and shall become a vendor's lien against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.
- 8.02. <u>Maintenance Fund</u>. The Board shall establish a maintenance fund into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration. The funds of the Association must be used solely for purposes authorized by this Declaration, as it may from time to time be amended.
- 8.03. Regular Annual Assessments. Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under the Restrictions, which shall be limited to the costs incurred pursuant to the powers granted in Section 6.05 and the cost of enforcing the Restrictions, and a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and the level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion. In no event shall the regular annual Assessments per Lot for the year 1995 exceed the sum of \$120.00.

Thereafter, at the Board's sole and absolute discretion, the maximum regular annual Assessments per Lot permitted hereunder may be increased by no more than five percent (5%) per year, unless approved by at least two-thirds of each class of Members who are voting in person or by proxy at a meeting duty called for such purpose, with the same quorum as required for Special Assessments herein.

Notwithstanding the foregoing provisions of this Section 8.03 and the provisions of Section 8.04, the Board may, in its sole and absolute discretion, approve a one time, permanent increase of up to \$10.00 per month, or \$120.00 per year, to the then maximum regular annual Assessments per Lot, provided Declarant or other party constructs on the park land known as Lot 1, Block E, The Crossing At Carriage Hills, Section One, park amenities at no charge to the Association and/or Owners, other than Declarant. The provisions of Section 8.03 and 8.04 shall otherwise apply to such Assessments.

- 8.04. <u>Special Assessments.</u> In addition to the regular annual Assessments provided for above, the Board may levy special Assessments to enable the Board to carry out the mandatory functions of the Association under the Restrictions, upon the approval of at least two-thirds of the Members at a meeting called for that purpose, by adequate notice, with at least sixty percent (60%) of the Members or their proxies present at said meeting. If sixty percent (60%) of the Members do not attend, a second meeting may be called with the same notice and the quorum needed for said second meeting shall be thirty percent (30%) of the Members or their proxies.
- 8.05. Owner's Personal Obligation for Payment of Assessments. The regular and Special Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot shall be obligated to pay interest at the rate of six percent (6%) per annum on the amount of the Assessment, from the due date thereof, together with all costs and expenses of collection, including reasonable attorneys' fees.
- Assessment Lien and Foreclosure. All sums assessed in the manner provided in this Article but unpaid shall, together with interest as provided in Section 8.05 hereof and the cost of collection, including attorneys' fees as herein provided, thereupon become a continuing fien and charge on the Lot covered by such Assessment, which shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid tien shall be superior to all other liens and charges against the said Lot, except only for tax liens and all sums unpaid on a first Mortgage lien of record, securing in either instance sums borrowed for the improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by a duly authorized officer of the Association. To evidence the aforesaid Assessment lien, the Association may prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such fien and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the office of the County Clerk of Williamson County, Texas. Such lien for payment of Assessments shall attach with the priority above set forth from the date that such payment becomes delinquent and may be enforced by the foreclosure on the defaulting Owner's Lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice of Assessment lien as provided above, or the Association may institute suit against the Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorneys' fees incurred. The Association shall have the power to bid on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey, or otherwise deal with the same. Upon the written request of any Mortgagee, the Association shall report to said Mortgagee any unpaid Assessments remaining unpaid for longer than thirty (30) days after the same are due.

- (C) Each unpaid Assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Lot against which the Assessment fell due, and shall become a vendor's lien against each such Lot and all Improvements thereon. The Association may enforce payment of such Assessments in accordance with the provisions of this Article.
- 8.02. <u>Maintenance Fund</u>. The Board shall establish a maintenance fund into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration. Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and the level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion. In no event shall the regular annual Assessments per Lot for the year 1995 exceed the sum of \$120.00. Thereafter, at the Board's sole and absolute discretion, the maximum regular annual Assessments per Lot - permitted hereunder may be increased by no more than five percent (5%) per year, unless approved by at least two-thirds of each class of Members who are voting in person or by proxy at a meeting duly called for such purpose, with the same quorum as required for Special Assessments herein.

Notwithstanding the foregoing provisions of this Section 8.03 and the provisions of Section 8.04, the Board may, in its sole and absolute discretion, approve a one time, permanent increase of \$5.00 per month, or \$80.00 per year, to the then maximum regular annual Assessments per Lot, provided Declarant or other party constructs on the park land known as Lot 1, Block E, The Crossing At Carriage Hills, Section One, a pool and related amenities at no charge to the Association and/or Owners, other than Declarant. The provisions of Section 8.03 and 8.04 shall otherwise apply to such Assessments.

8.04. Special Assessments. In addition to the regular annual Assessments provided for above, the Board may levy special Assessments to enable the Board to carry out the mandatory functions of the Association under the Restrictions, upon the approval of at least two-thirds of the Members at a meeting called for that purpose, by adequate notice, with at least sixty percent (60%) of the Members or their proxies present at said meeting. If sixty percent (80%) of the Members do not attend, a second meeting may be called with the same notice and the quorum needed for said second meeting shall be thirty percent (30%) of the Members or their proxies.

- 8.05. Owner's Personal Obligation for Payment of Assessments. The regular and Special Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot shall be obligated to pay interest at the rate of six percent (6%) per annum on the amount of the Assessment, from the due date thereof, together with all costs and expenses of collection, including reasonable attorneys' fees.
- Assessment Lien and Foreclosure. All sums assessed in the manner provided in this Article but unpaid shall, together with interest as provided in Section 8.05 hereof and the cost of collection, including attorneys' fees as herein provided, thereupon become a continuing lien and charge on the Lot covered by such Assessment, which shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens and all sums unpaid on a first Montgage lien of record, securing in either instance sums borrowed for the improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by a duly authorized officer of the Association. To evidence the aforesaid Assessment lien, the Association may prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the office of the County Clerk of Williamson County, Texas. Such lien for payment of Assessments shall attach with the priority above set forth from the date that such payment becomes delinquent and may be enforced by the foreclosure on the defaulting Owner's Lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice of Assessment lien as provided above, or the Association may institute suit against the Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorneys' fees incurred. The Association shall have the power to bid on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey, or otherwise deal with the same. Upon the written request of any Mongagee, the Association shall report to said Mortgagee any unpaid Assessments remaining unpaid for longer than thirty (30) days after the same are due.
